Correction to: a hybrid technique combining intramedullary pinning with extramedullary plate fixation in unstable and comminuted radial head fractures following on-table reconstruction

Xu Gao¹, Shi-you Dai², Hai-lei Yin^{3*}, Fei Li³, Yong-qiang Sui⁴, Rui Huang³ and Hai-yu Fan⁵

Correction to: *BMC Musculoskeletal Disorders* 22, 613 (2021).

<https://doi.org/10.1186/s12891-021-04498-w>

Following the publication of the original article [1] the authors noticed that the correction in Table 1 “the number of males is supposed to be 8 and the number of females is supposed to be 5” was not implemented. The original article [1] has been updated.

Below is the correct Table 1.

The original article can be found online at <https://doi.org/10.1186/s12891-021-04498-w>.
